Enclosed please find a Terminal Disclaimer, in compliance with 37 CFR 1.321(c) and 20(d) including a check for the government fee of \$110, to obviate the nonstatutory double patenting rejection of claims 1-10 over prior US patent 6,640,766 in view of US patent 5,868,110 for the reasons set forth in the Office Action. The common 100% owner of both the patent 6,640,766 and the above-identified application is Fuji Jukogyo Kabushiki Kaisha.

Since there are no amendments or changes or cancellations or additions to the claims 1-10 which remain in this application, listing of all present claims 1-10 in the application is not required and is not being provided.
